

THE TO-KEN SOCIETY OF GREAT BRITAIN
for the Study and Preservation of Japanese Swords and Fittings

HON. PRESIDENT, KAZUTARO TORIGOYE, Dr. Litt.
SECRETARY, JEFFREY RODFORD. PROGRAMME

- Next Meeting:** Wednesday, 2nd February 1966, 7.0 p.m. Fulham Conservative Club, 1 Shorrolds Road, S.W.6.
- Last Meeting:** John Anderson showed some slides of some of his collection and discussed certain points arising from them.
- Film:** At the next meeting we are to show the film The Impostor. This is a full length feature film from Japan with sub-titles. A Medieval melodrama of Court intrigue involving a fake heir to the SHOGUNATE who is finally unmasked by the actor KAZUO ICHIKAWA and MONDO NO SUKE. As is usual with Japanese films of this type, there is quite sufficient action and sword play to satisfy the most ardent followers of the Japanese screen.
- The Society has of course had to hire the film and so to cover expenses it is proposed to make a charge of 7/- per head. Any guests will be very welcome. Please bring as many as you can; it will all help to pay for the hire and may even "swell the coffers" of the Society a little.
- Catering:** Members attending the meeting are requested to let John Harding know as soon as possible with the number of guests they intend to bring. Please don't delay as we must know the number to cater for.
- Auction:** It has been decided to hold the long awaited auction on the same evening which should help to make members attendance even more worthwhile. To get both these events in it was found necessary to arrange a time-table which we intend to stick to rigidly. Members are asked to help the organizers all they can by complying with it.
